President's Report

I hope this newsletter finds all our Members and their families in good health.

You will notice plenty of changes in the coming months as the construction of our new change room facility kicks into full gear. We ask that you be patient as access to the reserve and getting around the construction site may be a bit more difficult than normal.

This year heralds the 20th Anniversary of the formation of the Sports Club and I would like to take this opportunity to thank all our Members who have been involved in making this great Club the Sporting and Community hub of Hoppers Crossing. A special mention to the 23 gents who have held a position on the Board over the last 20 years, especially Life Member Les Dickson and his wife Ros for 19 years of service to the Sports Club and many more to the Football and Cricket Clubs.

It appears to be the year of anniversaries as the Football Club celebrates their 40th year in existence, culminating in a huge social function to be held on Saturday 14th July. More details will follow, including details of upcoming re-unions of our 1992 and 2002 Premiership teams. Following that theme we should be celebrating a flag in September!!

I must thank those who donated time and, or, money to our 2 recent fundraisers for the Royal Children's Hospital and Cancer Council. Congrats must go to 'Moose' and Ashleigh Petrie for sacrificing their locks for charity. A grand total of over \$8000 was raised and was mentioned a number of times on the Good Friday telecast.

Thanks again to our staff for the great job they do, led by GM George.

Please take the time to read this newsletter as it contains important information and reports from some of our Sporting Clubs. A friendly reminder to support the many sponsors that assist the Sports, Football and Cricket Clubs.

Yours in Sport,
Darren Hellmann

HC Cricket Club

Hoppers Crossing Cricket Club's Senior Presentation Night was held on Friday 4 May at the Werribee Italian Social Club. Once again it was a fantastic night as the club honoured the 30th Anniversary of our first ever senior premiership side, the 1981/82 5th XI side captained by club legend Pat Matthey.

Pat and members of the side were in attendance to receive a memento of their great win. Special thanks to Brett Membrey who flew down from Queensland to be at the night. We also celebrated this season's Senior Division 2nd XI Premiership, the exploits of VTCA Senior Division Player of the Year Fawad Ahmed, who also broke a competition, club and 1st XI record with a staggering 58 wickets this season.

We are thrilled that in our first season in VTCA Senior Division we played off in Semi Finals which augers well for our future given our young and talented list moving forward.

Congratulations to the following award winners, we look forward to another great season next year.
