GM's Corner

Hello everyone and welcome to the new look HCSC newsletter.

A fair bit has been happening here since the last newsletter including the announcement by our Operations Manager, Sharon Grech, of her pregnancy. We wish her and her partner Rick all the very best in the future.

A lot of you are aware that we will have new change room facilities built in 2012 and we are well down the track with council on the layout of the facility. Council have approved \$1.512 million to be spent on the project and, in addition, HCSC is dedicating nearly \$2 million which will cover off the facility and extensive parking.

In amongst all of this the council are putting together a 'Master Plan' for Hogans reserve which will see a much needed face lift to the layout and condition of the site.

On the commercial side of things, there's a fair bit of excitement going on in the gaming industry with the 'changing of the guard' only 12 months away.

Effective from August 16th 2012, we will own and operate our own gaming machines which will give us the opportunity to be more competitive in the market place against the bigger clubs and hotels.

We are now nearing the end of the footy season and we wish all of our teams in the finals success and a few premierships cups to boot.

So that means it must be nearly cricket season and hopefully another fruitful year for our 1st XI with their new coach.

Also included in this edition is a survey that I would like you to fill out and return to the club.

All returned and completed surveys will go into the draw to win a race day package for 4 people at a yet to be determined venue.

As always, thank you to my staff and the Board for their ongoing support and encouragement and a big thank you, to you, for helping make this club a great one.

Cheers for now.
